

Family SUPPORT

OCA's Family Support ministry is here for foster/adoptive families, kinship families, or families bringing children permanently or temporarily into their homes. We offer adoption loans and grants, foster parent trainings, OCA Connect groups for support/community, and scholarships for children that have been through trauma to go to therapy of different kinds.

FAMILY SUPPORT SERVICES

ADOPTION LOANS & GRANTS

Through a partnership with Lifesong for Orphans, OCA provides matching grants and covenants loans to families for private domestic or international adoptions.

COMMUNITY IMPACT SCHOLARSHIPS

OCA is able to provide scholarships that assist qualified individuals for the following services: Equine facilitated services, equine therapy, counseling or mental health services and other therapeutic services that may not be fully covered by insurance.

OCA CONNECT

An opportunity for foster and adoptive parents to journey together by meeting monthly for support and encouragement. Each meeting is led by a professional that guides the discussion and creates a safe community for sharing stories and offering encouragement.

OCA FAMILY COACHING

A fee-based service using a Christ-centered approach and evidence-based tools, our Family Coach meets one-on-one with caregivers weekly and customizes each 60-minute session to a family's specific needs and goals. We meet you exactly where you are and walk with you until you feel confident implementing new tools and strategies on your own.

STATE APPROVED FOSTER TRAINING

OCA provides foster training with a Christian worldview in locations throughout the state of Kentucky. This training meets the state training requirements to become a licensed foster parent in Kentucky.

STATE APPROVED RESPITE TRAINING

OCA provides respite training with a Christian worldview in locations throughout the state of Kentucky. This training allows you to support Kentucky foster or adoptive parents by providing short term care for children.

TRAUMA TRAINING

OCA offers 2, 6, or 12-hour trauma training tailored to the audience needs.

CARE CLOSET IN ANDERSON COUNTY

OCA provides necessities to children entering foster care in the Salt River Trail region.

OCA GATEWAY: An online portal that connects people to provide for the needs of vulnerable children and families in their community.
