

Family **PRESERVATION**

OCA Family Preservation centers around partnering with believers to support hurting families in crisis and reduce the number of children entering foster care.

The families we serve in Family Preservation are isolated and facing difficult circumstances with little to no support or encouragement. Who better to respond to their needs than the body of Christ!

OCA FAMILY PRESERVATION VOLUNTEER PROGRAMS INCLUDE:

FAMILY CARE

Family Care is designed to assist families who are in need of a support system in a time of isolation or difficulty. Volunteers in this ministry work alongside a vulnerable family to provide mentorship and encouragement to these families in a difficult season of life.

RESTORE

Restore is a respite care ministry, designed to bring restorative care to struggling families. Volunteers in this ministry provide respite in their homes one weekend a month for six months for isolated families in need of support.

SAFE HARBOR

Safe Harbor volunteers provide wrap-around support to isolated families who find themselves in the middle of one of life's storms. We provide short-term, emergency respite care for children, while we walk alongside parents in crisis.
