

Everyone needs a little help **from time to time...** **... and we are here for YOU!**

All families need help from time to time. We understand that parenting with no support system can be isolating and challenging. OCA's Family Preservation Ministry supports families as they walk through difficult circumstances so they come out stronger.

Programs that can help you...

FAMILY CARE

- Referrals to resources in their local community
- Assistance to establish contacts and grow a support system
- Support, encouragement, and accountability

SAFE HARBOR is wrap-around care for families finding themselves in crisis. We provide respite care as well as a mentor and care team for a parent in need. This respite care could be for parents to receive drug treatment, mental health treatment, or other emergency situations. ***Our Respite Care providers are trained, background checked, and equipped volunteers.***

OCA RESTORE is a respite care ministry, designed to bring restorative care to struggling vulnerable families. Background checked, interviewed, and trained volunteers will provide respite in their homes one weekend a month for six months for isolated families in need of respite
